DEATH OF LIEUT. BREWER

DETAILS HAVE JUST REACHED THE

Was Buried Alive by Ladrones Who Had a Grudge Against. Him.

Startling information concerning the alleged fate of First Lieut. Richard Henry Brewer of the 27th Volunteer Infantry of this city is published in the Richmond Times. The article in question was written by Mr. Clarence Werner, an old newspaper man of Richmond, who is now serving as quartermaster sergeant in Company F, 27th Infantry, to which company Lieut. Brewer was attached at the time of his disappearance. Mr. Werner says in his letter:

"Ladrones are still keeping up their trade in various portions of the island, and only a few weeks ago City Engineer Wilson of Manila, who was also superintendent of the waterworks, was murdered by ladrones in the middle of the day and robbed of about \$1,800 gold. He was on his way to our sta-tion to pay off employes at the pumping station and had refused a military escort. All the ladrones concerned in the murder, eight in number, have since been caught. They were tried by a military commission and confessed. They will be hanged in a few weeks.

"One of the accused caused the death of First Lieut. Brewer of Company F, 27th Infantry, United States Volunteers, while the latter was on his way to Manila, with one private as escort. The latter was shot down and Lieut. Brewer, against whom the Filipino had a special grudge, was carried off by him and some companions into the mountains in a deserted spot.

Buried Alive.

"Lieut, Brewer's hands and feet were tied to the body, and the unfortunate man was buried alive in an upright position, with After setting a dish of food before him, just near enough for him to look at it, the barbarous natives left him to die in the who murdered Wilson has been postponed so that the accomplices in the Brewer outrage might be brought to light." Lieut. Brewer was the youngest second

army He was bern in Annapolis, Md., on April 22, 1880. His mother is a sister-in-law of Mrs. Gen. Sutherland, and is the daughter cal department. Lieut. Brewer's father was Capt. John W. Brewer, an assistant surgeon of the army, who made himself famous in the war of the rebellion, and who died in 1880. Capt. Madison Mills Brewer, late assistant curve assistant surgeon. The temperature has fallen from southwestern Texas, New Mexico and Colorado late assistant curve.

Man Fined, Woman Released. Jacob Fisher and Ellen Holmes, colored, who spend most of their time in Southeast Washington, were deprived of their liberty on 2d street this morning because they were engaged in a quarrel. Being short of cash Jacob and his friend had to remain in a police cell until they were given seats in the "Maria" and driven to the Police Court. Ellen was drunk when she was arrested near Garfield Park, but she had recovered from the effects of the liquor when she reached court. She told the judge that while on her way home with Jacob the lat-ter assaulted her and she screamed "mur-

THE RODNEY CASE.

Order Issued Against Husband in Suit for Maintenance. Justice Hagner, in Equity Court No. 1, in the proceedings for maintenance instituted by Margaret E. Rodney against her husband, Lieut. Commander Robert Burton Redney, United States navy, retired, has signed an order to the effect that unless the defendant shows cause to the contrary next Friday morning he shall be committed to jull for contempt. The contempt consists of the alleged failure of the defendant to obey an order of the court, passed the 12th instant, requiring him to pay his wife alimony pendente lite and counsel fees.

AT FIRST GLANCE

IT WOULD APPEAR THAT LOCAL REMEDIES WOULD BE BEST FOR CURE OF CATARRH.

It would seem at first glance that catarra being a disease of the mucous membrane, that salves, sprays, etc., being applied directly to the membranes of the nose and throat, would be the most rational treatment, but this has been proven not

from the blood and catarrh is a blood disease, and any remedy to make a permanent cure must act on the blood, and when the blood is purified from catarrhal poison, the secretions from the mucous membrane will become natural and healthy. In this climate thousands of people seem scarcely ever free from some form of entarrh; it gets better at times, but each winter becomes grada-

ally deeper seated, and after a time the sufferer esigns himself to it as a necessary evil. Catarrh cures are almost as numerous as ca-tarrh sufferers, but are nearly all so inconvenient and ineffective as to render their use a nuisance nearly as annoying as catarrh itself; any one who has used douches, sprays and powders will bear witness to their inconvenience and failure to really

There are a number of excellent internal remedies for catarrh, but probably the best and certainly the safest is a new remedy, composed of Eucalyptol, Hydrastis, Sanguinaria and other valuable catarrh specifics.

This remedy is in tablet form, pleasant to the taste and sold by druggists under the name of Stuart's Catarrh Tablets, and any one suffering from catarrh may use these tablets with absolute assurance that they contain no cocaine, opiate nor any poisonous mineral whatever, A leading drugglat in Albany, speaking of ca-

tarrh cures, says; "I have sold various catarrh cures for years, but have never sold any which gave such general satisfaction as Stuart's Catarrh gave such general satisfaction as Stuart's Catarrh
Tablets. They contain in a pleasant, concentrated
form all the best and latest catarrh remedies, and
catarrh sufferers who have need douches, sprays
and salves have been astonished at the quick relief and permanent results obtained after a week's
use of Stuart's Catarrh Tablets." All druggists

At this term it is expected that Judge Love will hear argument on the bill filed by Dr. D. N. Rust, supervisor for Jefferson district, through his attorney, John M. Johnson, the object of which is to prevent the expenditure of the sum of \$3,750 re-cently transferred from the Pennsylvania railroad to the county in any way except upon improvements on the old Washington and Alexandria turnpike.

Judge Norton, in the corporation court, has granted a charter to the Sherman Apartment House Company, the object of which is to purchase and manage apartments, houses and hotels. The sum of \$200,000 is named as the capital stock, and the officers were: T. F. Schneider, president; J. I. McCullum, secretary and treasurer. Gardner L. Boothe is local attorney.

An adjourned meeting of the board of supervisors for Alexandria county will be held at the county court house tomorrow morning, at which time matters of especial importance relating to the management of roads and improvements connected therewith will be brought up for consideration.

PARLOR CAR HANGS OVER RIVER. Lives of Twenty Passengers Endangered by Peculiar Accident.

From the New York Tribune of Today. Twenty passengers had a thrilling experience in a Pullman car early yesterday. The car was being conveyed to Jersey City on the transfer boat Maryland, when the car jumped the bumpers and the rear trucks ran off the stern of the boat, and thirty feet or more of the car hung over the river. Luckily the car was heavy, and when the body of it dropped to the deck it was prevented from sliding into the river. The car was promptly secured and the alarmed passengers were transferred to the cabin of the boat.

The car was one of five that made up the Federal express, which runs from Boston to Washington without change. The train to Washington without change. The train consisted of three heavy Pullman cars, an ordinary coach and a baggage car. The cars were run aboard the transfer boat at the Harlem river, and the boat, in command of Captain Flood, started at 2:30 o'clock yesterday morning. The baggage car, coach and the parlor car Florisant were run in the port gangway, and the St. George and Santiago, the other Pullman cars, in the starboard gangway. The cars are held in front by heavy iron chains, made fast to the coupling, and bumpers made fast to the coupling, and bumpers were secured to the tracks in the rear. The boat had swung around the Battery, and was pointed to the transfer slip in the Pennsylvania railroad yard, at Jersey City, when the chain which secured the Santiago snapped and released the two cars, which rolled back with enough momentum to cause the rear trucks of the St. George to cause the real tracks and over the bumpers and roll along the tracks and over into space. As the trucks cleared the boat, the body of the trucks cleared the boat, the body of the car dropped to the deck, slid a few feet toward the water and was then stopped and held by its own weight. About one-third of the car had gone over the stern

gers, while the crew with hawsers secured gers, while the crew with nawsers secured the car. The affrighted passengers were assisted to the cabin, and the Maryland, steaming slowly, reached the slip at 4 o'clock. A drill engine quickly moved the Santiago into the yard, and another Pullman car was substituted for the St. George. It was run aboard the boat, and the passengers and their effects were transferred. sengers and their effects were transferred to it. It is said that a few of the passengers suffered severely from the shock and that the services of a physician were necessary. The accident delayed the departure of the train about two hours.
